**A New "Optimist" Year awaits us!** Fran and I had a great time up in Niagara Falls / Grand Island seeing our NY/NE District friends. Governor Bob Crabtree and area clubs had a great year helping kids and building membership. Incoming Gov. Irwin Goldberg (Southern Ulster) will take over in October but we are excited about continuing the journey and the things we are going to achieve in 08/09. Agenda items from September's meeting: (Sorry about cancelling the July & Aug meetings but as the song said: "I'll see you in September!" The Tempos 1959)

- Essay / Oratorical - Getting the word out!
- 4th Quarter Conference in Aug info.
